Brooklyn, NY

(646)255-9324

Education

Computer Science expected graduation: 12/2023

Hunter College • New York, NY

Relevant Coursework: Web Development, Software Engineering Product, iOS development, Cybersecurity, Flutter App, Distributed AI, Data Structure, Computer Theory, Operating Systems, Computer Architecture

Projects

Responsive React Portfolio | *JavaScript, React, Tailwind CSS*

- Personal responsive React portfolio to showcase my projects. Please check out <https://shuxinweng.github.io/ShuxinWeng-portfolio> !
- Implemented responsive design, ensuring optimal display and functionality on mobile and web browser, by utilizing Media Queries.

Recipe App | *MongoDB, Express, React, Node, Cors, JWT, Bcrypt*

- Designed a platform for users to share their recipes. Allowing users to save recipes in the database and creating their own recipe.
- Utilized JWT and Bcrypt to efficiently authenticate and secure the web application through cookie generation.
- Crafted visually appealing UI to enhance the overall user experience and ensure an enjoyable interaction with the product.

Employee Management System | *MongoDB, Express, React, Node, Cors, Redux, PostgreSQL, Sequelize*

- Collaborated in a 4-member team as the front-end developer, effectively communicating with the backend team to achieve project objectives.
 - Developed user-friendly functionality to ensure ease of use and a seamless experience for users interacting with the product.
 - Implemented middleware solutions to facilitate smooth communication and integration between the frontend and backend systems.
-

Skills

JavaScript, C++, HTML/CSS, Swift, MongoDB, Express, React, Node, UIKit, SwiftUI, Tailwind CSS, Microsoft Office, Ableton Live

Experience

Medical Assistant

Total Care Medical Center • Brooklyn, NY

07/2016 - 04/2022

- Completed clinical procedures and gathered patient data for interpretation by a physician.
 - Submitted prescriptions to the pharmacy via phone, fax, or web.
 - Obtained information about clients' medical history, drug history, complaints, and allergies.
 - Performed pulmonary function tests and electrocardiograms on patients to check their health.
-

Club

Event Planning Committee

HunterCSSA • New York, NY

09/2022 – 06/2023

- Worked with a team to plan and execute multiple events, including a Chinese New Year's Talent Show, which had more than 200 audiences.
- Demonstrated strong teamwork and project management skills, effectively collaborating with committee members and stakeholders to deliver successful events.
